Appointment Policy

We value our patients and the time we spend with each of you and we would like to set aside appointments that work well for your schedule. If there is a conflict with your scheduled appointment time, we ask that you call the office at least 24 hours in advance to cancel or reschedule your appointment. **Appointments cancelled without a 24 hours advance notice will be charged $25. If you miss more than 3 scheduled appointments, you may be dismissed from the practice.**

Thank you,

Clarification of Medical Visits

In our office, we want to put the patient first by providing outstanding medical care. In order for us to do this, we want to make sure our patients understand our policy for billing your medical visits. If you are scheduled to come in for your annual well woman exam, the doctors will only discuss details or perform services regarding that visit. If there are other medical issues that you would like to discuss that is not considered part of an annual well woman exam, we ask that you schedule another appointment.

If you have an emergent problem, we will address that problem and you will need to reschedule your annual well woman exam. If the problem visit and annual well woman exam is done on the same day, you will be billed for each service separately. Depending on your insurance benefits, you may be held responsible for any out of pocket expenses associated with both services.

If you have any questions or concerns regarding this policy please ask our staff.

Thank you,

Policy on Insurance Coverage

We are enrolled in numerous insurance programs. While we are pleased to be able to provide this service to you, it is extremely difficult for us to keep track of all the individual requirements of each plan. Each one has different stipulations and restrictions. Even within the same insurance company, the plans differ depending upon what type of contract your employer has negotiated. Your medical insurance is a benefit that your employer provides for you or you purchase for yourself.

During the course of treatment, charges will be accumulated and routinely filed with your insurance company. Charges not covered by your insurance, such as, copays, deductibles and co-insurance will be your responsibility and are due at the time of service.

Understanding your benefits can be confusing and we will do our best to assist you in this area, but keep in mind we have limited access to your medical benefits. Your employer or you have chosen this plan and benefits, not your physician. If YOU do not inform us of any special requirements in your contract, and we subsequently order services, such as labs, pathology or hospitalization, that are not covered, we or the selected medical facility will have no choice but to bill YOU directly for those charges.

Your insurance company will never guarantee your benefits to you or to this office. That is why we can only estimate your portion. Regardless of what we calculate as your medical plan benefit, ultimately ***YOU are responsible for the TOTAL cost of your medical treatment.*** If you are unable to pay the estimated portion for your appointment today we will be happy to reschedule it to a later date.

If your insurance company requires a "referral" from your primary care physician, you will be responsible for contacting your primary care physician for the referral (this is the patient's responsibility NOT the responsibility of this office).Treatment rendered by this office without the required referral will serve as your consent for treatment not covered by insurance, and will be payable by you. If we are contracted with your insurance company, your appointment will be rescheduled until a referral can be obtained.

Please check the appropriate boxes:

- ☐ I certify that I have **no insurance** and will be solely responsible for payment in full. (Payment is expected at the time of service)
- ☐ I certify that the insurance reported to this office is a complete and current listing. I understand the office will not submit a claim for any insurance not reported at the time of service.
- ☐ I **DO NOT** have any other insurance coverage other than that which has been provided upon submission of this authorization.

***** You're responsible for providing the correct information regarding which insurance is PRIMARY and SECONDARY. *****

I have read and understood the office policy stated above and agree to accept responsibility as described.
